Discovery Program

Bursary & Scholarship Application Details

The Canadian Manufacturers & Exporters Manitoba division is please to provide financial assistance to those students who demonstrate high levels of aptitude and who seek to further develop their skills in post secondary education and training. Bursaries and scholarships are awarded on the basis of achievement and ability by participation in the Discovery Program. Each participating team with a maximum of eight members may qualify to receive support to continue "career training" up to 2 years past successful completion of grade 12.

Canadian Manufacturers & Exporters
Bursaries are presented as:

LEADING EDGE - $300.00 each member of the highest scoring team
INNOVATION - $150.00 each member of the second highest scoring team
DISTINCTION - $50.00 each member of the third highest scoring team

A letter of application is to be submitted to:
Debbie Leiter, Canadian Manufacturers & Exporters
110 Lowson Crescent, Winnipeg MB R3P 2H8 / Ph: (204) 949-1454 / Email: Debbie.leiter@cme-mec.ca

---

Red River College
Scholarships are presented as:

GOLD - $200.00 tuition scholarship to each member
SILVER - $125.00 tuition scholarship to each member
BRONZE - $75.00 tuition scholarship to each member

The scholarships will be available as a tuition credit for a regular full-time program at Red River College, in the year immediately following the recipients' Grade 12 Graduation. A one-year deferral will be permitted providing no other post-secondary enrolment occurs in the interim.

A letter of application is to be submitted to:
Student Service Centre at Red River College, CC: Canadian Manufacturers & Exporters
Room D101-2055 Notre Dame Avenue, Winnipeg MB R3H 0J9

University of Manitoba, Faculty of Engineering
Scholarships are presented as:

Entrance scholarships of $250* to undergraduate students who:

1) Have, as high school students (grades 9 through 12), placed first in the Discovery Program or eligible individual or team competition that requires participants to demonstrate technological excellence *(Contact University of Manitoba for information about other eligible competitions)*

2) Are subsequently admitted to, and register full-time in, their first year of studies in the Faculty of Engineering via either direct entry or University 1

*A recipient will be offered $250.00 for each eligible competition in which he or she placed first. The Faculty of Engineering Entrance Award for Technology Based Student Competitions may be held with any other University of Manitoba scholarship.

Apply Online:
Students who have been accepted into the Engineering program must apply via the Faculty of Engineering's on-line Awards Application website **http://ugawards.eng.umanitoba.ca**. A hard copy or uploaded PDF of the recipient's Certificate of Excellence must be provided. **CC: Canadian Manufacturers & Exporters.**

Winnipeg Technical College
Scholarships are presented as:

Winnipeg Technical College offers the Gold, Silver, and Bronze Discovery Program winners a scholarship of at least $500.00 and a maximum of $1,000.00. Upon successful enrolment in a WTC program, a $500.00 award is credited against the student's tuition. After successful completion of the program within the prescribed time line, another $500.00 is awarded. The scholarship is available up to two years past Grade 12 graduation provided no other post-secondary enrolment occurs in the interim.

Contact:
Winnipeg Technical College at (204) 989-6526 Application must be submitted along with the regular Post Secondary Application process. **CC: Canadian Manufacturers & Exporters.**
